Students are reminded that they only have one exam time per subject. If students are enrolled in multi-level courses they only attend one exam. For example, A Year 11 student sitting a Level 2 Mathematics standard will only attend the Level 1 Mathematics exam, NOT the Level 1 AND Level 2. A Year 12 Geography student will only attend the Level 2 exam, not the Level 2 AND Level 3 exam.

Students with clashes will be notified of them by the relevant subject teachers involved. Otherwise, please see Mr Leath.
