Event 31a & b: Standing Jump.

- **purpose:** to measure the explosive power of the legs
- **procedure:** The athlete stands behind a line marked on the ground with feet slightly apart. A two foot take-off and landing is used, with swinging of the arms and bending of the knees to provide forward drive. The subject attempts to jump as far as possible, landing on both feet without falling backwards.
- **scoring:** The measurement is taken from take-off line to the nearest point of contact on the landing (back of the heels). Record the longest distance jump.
- 0.5m = .5, 1m = 1 point, 1.5m = 1.5 point, 2m = 2 pts, 2.5 = 3pts

Event : 47a & b Seated Medicine Ball Throw

- **Purpose:** to measure arm strength and explosive power.
- **procedure:** The subject sits with their back to a wall, on a mat facing the area to which the ball is to be thrown, and with the feet extended and slightly apart. The ball is held with the hands on the side and slightly behind the center. The ball is brought to the chest, then thrown vigorously out as far as possible. The back should remain in contact with the wall at all times.
- **scoring:** The distance from the wall to where the ball lands is recorded. 2m = 0.5pts, 3 = 1pt, 4m = 1.5pts, 5m = 2pts, 6m = 2.5pts, 7m= 3pts, 8m = 3.5pts, 9m = 4 pts, 10m = 5pts

Event 38: 60m Sprint.

Back Straight = Year 9, Year 10.

NB: when boys are finished they need to be directed to outside the arena (fence area)

Front Straight = Year 11, Year 12 & Year 13
