16 February 2021

To parents and whānau of Year 9 Day school students:

Day School Year 9 Huia Rōpū Teacher Interviews.

On Thursday, 24 February, we are having Huia Rōpū Teacher interviews for students, and the parents of Year 9 day school students, who have started New Plymouth Boys' High School in 2022. The school concludes at 2.45 pm and we ask you to arrange for your son to take you to his Huia Rōpū classroom to meet the teacher from 3.00 pm to 3.30 pm.

Students typically have the same Huia Rōpū teacher for the duration of their time at NPBHS. Parents will get the opportunity to ask any questions and talk to the teacher individually after the meeting.

Year 9 Boarding parents will get an opportunity to talk to Boarding staff at a later date.

COVID-19 requirements:

- Parents and students to wear a face mask while on school site
- Size restrictions allow us to only have one parent per student
- Please sign in at the Huia Rōpū classroom and not the school office
- If you are feeling unwell, please do not attend.

Programme for Thursday, 24 February:

2.45 pm	School concludes (normal school day)
	Boys escort parents to Huia Rōpū rooms and meet the teacher
3.00 pm	Opportunity to speak to Huia Rōpū teachers
