YOUR DONATION WILL BE GREATLY APPRECIATED!

To take Year 9 students overnight for two/three nights is a considerable expense and the school receives no extra funding from the Ministry of Education to provide camps.

Your donation helps to ensure the financial viability of what we believe is a very special part of the Year 9 school programme.

Overnight camps vary in price starting from \$200.00 with an average price of \$250.00. We appreciate any donation that assists in the provision of these camps.
